On behalf of the children of St. Joseph School, thank you for your donation for our Blue & Gold Gala benefit auction that was held on Saturday, February 26, 2011.

Your support of our annual fundraising event allows the school to continually improve the computer technologies program and the students' classrooms, enriching their educational opportunities. We are most appreciative of your generosity and hope you will continue to support the Blue & Gold Gala.

Please be advised that your contribution to St. Joseph Parish School is tax deductible as allowed by law and that no goods or services have been received for this donation.
