## St. Joseph School

Helping students reach  
their full potential in a  
Christ-centered environment

# Welcome to St. Joseph School

St. Joseph School is a vibrant, Catholic community for students in grades K-8. Fully accredited by the Ohio Catholic School Accrediting Association, St. Joseph School enriches its core curriculum with Spanish classes for all grades, art classes taught by a certified art teacher, comprehensive music program, band for grades 5-8, physical education, a complete sports program, Christmas and spring concerts, and a drama club that produces and performs an annual play. Supported by a state-of-the-art computer lab, technology is integrated in all subject areas.

The driving force of St. Joseph School is its mission to proclaim the Gospel message of Jesus Christ, to help the students apply it to their daily lives, and to enable them to reach their full academic potential. To accomplish this, shaping service-minded students is a priority that finds expression in year-long projects such as visits to nursing homes, letter-writing to our troops, cards to hospice patients, support for children in Third World countries, and donations to Pregnancy Care, Akron Children's Hospital, and St. Bernard's Hunger Center. All the service projects are grade-appropriate and instill in the children the belief in and necessity of serving others – and the joy of giving.

A dedicated, committed, and caring administration, faculty, and staff are essential to the success of the school. In order to help all students reach their full potential, St. Joseph School provides extensive tutoring, language and speech development, and counseling and psychological services.

St. Joseph School actively involves the parent, the first educators of their children, as co-partners in the mission of the school. By living and modeling the mission of the school, the faculty and staff – supported by faith-centered families who share the same ideals – prepare the students of St. Joseph School for success both in the classroom and as citizens of the world.
